

Frontline Advisory is looking for experienced Financial Modellers to join our high-performance advisory team.

Location Lahore

Who Should Apply?

- ✓ ☐ Minimum 3 years of hands-on financial modelling experience (mandatory)
- ✓ ☐ University graduates with strong analytical and valuation skills
- ✓ ☐ Candidates pursuing or having completed CFA
- ✓ ☐ Individuals eager to work on dynamic local and cross-border transactions

At Frontline Advisory, you will work on complex valuations, M&A transactions, financial due diligence, investment advisory assignments, and multi-sector deal analysis across the region.
