

Investment Specialist

HBL Asset Management Limited · Islamabad, Pakistan (On-site)

About the job

Company Description

HBL Asset Management Limited (HBL AMC), incorporated in 2006, is one of Pakistan's leading Fund Management companies and a wholly owned subsidiary of HBL, the largest Commercial Bank in Pakistan. With over 15 years of offering quality products, HBL AMC is committed to maintaining their top-tier position through exceptional customer experience and advisory services. The company offers a range of plans designed to help customers achieve their financial goals and enjoy the finer aspects of life.

Role Description

This is a full-time on-site role for an Investment Specialist located in Islamabad. The Investment Specialist will be responsible for analyzing financial data, developing investment strategies, managing investment portfolios, and providing financial and investment advice to clients. Key tasks include monitoring market trends, conducting investment research, and implementing effective investment decisions to meet clients' financial goals.

Qualifications

- Strong Analytical Skills and proficiency in Financial analysis
- Experience in Investments and Investment Management
- Ability to develop and implement effective Investment Strategies
- Excellent communication and client advisory skills
- Bachelor's degree in Finance, Economics, Business Administration, or related field
- Professional certifications such as CFA or equivalent are a plus
