

Head of Research

Integrated Equities Limited • Karachi Division, Sindh, Pakistan (On-site)

About the job

Company Description

Integrated Equities Limited, a TRE Certificate holder of the Pakistan Stock Exchange (PSX), specializes in equities trading, capital markets research, investment banking, project advisory, and strategy consulting services. The company is dedicated to offering innovative solutions to meet the dynamic needs of its clients in the financial industry. With a focus on delivering exceptional insights and guidance, Integrated Equities Limited is positioned as a trusted partner for businesses and investors in Pakistan's capital markets.

Role Description

This is a full-time, on-site opportunity for a Head of Research based at Lahore or Karachi. The role involves leading the research function, analyzing financial markets, conducting in-depth market research, and spearheading research and development initiatives. The selected candidate will develop actionable insights, guide strategy formulation, and oversee a team of research analysts. Emphasis will be placed on creating detailed sell-side reports, identifying market trends, and fostering a culture of innovation and excellence within the research department.

Qualifications

- Strong Analytical Skills to interpret complex financial data and market trends
- Expertise in Equities & Sectoral Research and Research methodologies
- Hands-on experience in sell-side Research and Development (R&D) and devising innovative investing strategies
- Proven Team Leadership experience, with a record of mentoring and managing teams effectively
- Excellent communication, presentation, and report-writing skills
- In-depth understanding of capital markets and investment strategies
- Bachelor's OR Master's degree in Finance, Economics, Business Administration, Commerce or ACCA/CA/ACMA
- Professional certifications such as CFA or equivalent are a plus
- Adaptability to manage challenging business environments and deliver results under deadlines
- Is already registered OR meets criteria for registration as Equity Analyst under the SECP Regulations
