

## **Investment & Monitoring Associate/Analyst**

A venture Capital Firm is looking for a driven and dedicated individual who is based in Pakistan (preferably Lahore or Karachi) to join the FGV team as an Investment & Monitoring Associate/Analyst.

Our investment professionals are given the opportunity to source for and evaluate investment opportunities within the Pakistani start-up ecosystem, present their findings to the Investment Committee and monitor the progress of our ever-growing portfolio of investees.

Other key responsibilities include;

- Source for investment opportunities and build a vast network of connections within the Pakistani start-up ecosystem
- Lead the investment evaluation process and perform comprehensive, in-depth company and industry research as well as portfolio and benchmarking analysis
- Partake in networking events involving key stakeholders in the Pakistani start-up ecosystem
- Create presentation materials for internal and external audiences for both the Firm and the Firm's portfolio companies
- Support ad-hoc projects related to the Firm's priorities and initiatives

### **Requirements:**

- Between 1 to 5 years of working experience in venture capital, private equity, investment banking, management consulting or corporate finance
- Possess a strong interest in the disruptive world of start-ups
- Bachelor's degree in Finance, Business, Economics, or a technical field preferred but not required
- Candidates with prior experience of working in / founding a start-up are highly encouraged to apply.

To apply, please email your CV at: [\*\*info@fatimagobi.vc\*\*](mailto:info@fatimagobi.vc)
