

**Proto IT Consultants**  
**Chartered Financial Analyst (CFA) - Contractual**

**About the Role:**

We are seeking a detail-oriented and analytical **CFA-certified professional** to join our team on a **contract basis**. The ideal candidate will bring deep financial expertise and insights to support our investment decisions, financial strategies, and business forecasting.

**Key Responsibilities:**

- Conduct detailed financial analysis and modeling to support investment and strategic business decisions.
- Prepare comprehensive reports on financial performance, risk assessments, and market trends.
- Evaluate financial data and provide insights and recommendations to senior management.
- Support the budgeting, forecasting, and planning process.
- Collaborate with the finance and strategy teams to ensure alignment with company goals.
- Assist in due diligence and valuation for business initiatives or investment opportunities.

**Requirements:**

- CFA Charter holder (CFA Level III Passed or Completed).
- Bachelor's or Master's degree in Finance, Economics, or a related field.
- Minimum of 2–3 years of experience in financial analysis, investment banking, or corporate finance.
- Strong knowledge of financial modeling, valuation techniques, and investment analysis.
- Excellent analytical, communication, and presentation skills.
- Proficient in Microsoft Excel and financial reporting tools.
