

Senior Research Analyst – Equity Research & Valuation

WE Financial Services Ltd. · Karāchi, Sindh, Pakistan (On-site)

About the job

We are looking for an experienced professional to join our research team as a Senior Research Analyst. The role involves conducting equity research, performing company and sector valuations, preparing detailed analytical reports, and providing investment insights to support decision-making. Ideal candidates will have a strong foundation in finance and valuation, solid analytical skills, and hands-on experience in financial modeling and market analysis.

This is a full-time onsite position based in Karachi.

Required Qualifications & Experience:

- Bachelor's degree in Finance, Business Administration, Accounting, or a related field
- Minimum CFA Level II passed
- 2–3 years of experience in the financial sector
- Prior experience as a Research Analyst in the Equity Market will be preferred

Required Skills & Knowledge:

- Strong analytical and quantitative skills, with the ability to interpret complex market data and translate insights into clear, well-structured research reports
- Proficiency in financial modeling and valuation techniques
- Excellent command of MS Office (Excel, PowerPoint, Word)
- Strong written and verbal communication skills
-

Location: 📍 Karachi – Onsite role (no remote option)

How to Apply:

- Candidates meeting the above criteria are encouraged to submit their CVs through the following Google Form: <https://forms.gle/J5piMxVxnNGCFhDh7>
