

## Investment Management

Alfalah Investments · Lahore, Punjab, Pakistan (On-site)

### About the job

#### Company Description

Alfalah Asset Management Limited (AAML), established in 2004, is a licensed entity under the Securities and Exchange Commission of Pakistan. Specializing in open-ended mutual funds and investment advisory services, AAML also holds licenses as a Pension Funds Manager, Private Funds Manager, and Real Estate Investment Trust (REIT) Manager. Rated 'AM1' for management quality by VIS Credit Rating Company Limited and a proud MUFAP member, the company is dedicated to delivering financial growth and quality of life for its clients. Operating with core values of integrity, performance excellence, teamwork, innovation, and customer focus, AAML is committed to helping investors achieve their unique financial goals.

#### Role Description

This is a full-time, on-site Investment Management role based in Lahore, Faisalabad and Multan. The successful candidate will be responsible for managing investment portfolios, developing and implementing investment strategies, performing financial analyses, and identifying opportunities for portfolio growth. Day-to-day tasks include monitoring market trends, conducting risk assessments, and collaborating with the investment team to optimize returns while ensuring compliance with regulatory frameworks.

#### Qualifications

- Proficiency in Investment Management and an in-depth understanding of Investments
- Strong Analytical Skills to assess market trends and financial data
- Experience in developing and implementing comprehensive Investment Strategies
- Solid knowledge and expertise in Finance, particularly in investment-related domains
- Exceptional problem-solving, decision-making, and communication skills
- Proven ability to collaborate effectively in cross-functional teams
- Relevant certifications such as CFA or equivalent qualifications are a plus
- Bachelor's or Master's degree in Finance, Business, Economics, or a related field
