

Divisional Head Risk Review

Allied Bank Limited • Lahore, Punjab, Pakistan (On-site)

About the job

Qualification

- A professional qualification from a recognized body (CA, ACCA, CIA, CFA, FRM, or equivalent), or
- A postgraduate degree (preferably an MBA) from a recognized university, or an equivalent qualification.

Required Skill Set & Job Responsibilities

- Strong leadership, team-building, motivational, interpersonal, and communication skills.
- Excellent analytical, critical thinking, problem-solving, and decision-making abilities.
- Ability to work effectively under pressure, manage multiple priorities, and meet deadlines.
- Self-motivated, proactive, professional, independent, objective, ethical, and action-oriented.
- Prepare high-quality reports and presentations, and effectively manage stakeholder relationships.
- Demonstrate thorough knowledge of the credit life cycle, regulatory requirements, internal policies and procedures, and internal control frameworks.
- Possess a sound understanding of market risk, operational risk, IFRS 9, Basel frameworks, and enterprise risk management concepts.
- Apply strong knowledge of internal audit methodologies, standards, and best practices.
- Demonstrate proficiency in risk management principles and in-depth knowledge of banking products and services.

Experience

- Minimum of 8 years of relevant experience, including at least 5 years in Credit, Risk Management, or Audit, preferably within a financial institution.
