

Senior Financial Analyst Investment & Planning (Lahore Based - On Site)

AsiaPak Investments Limited

About Us:

AsiaPak Investments is a leading investment holding company with a diversified portfolio in Pakistan's transport, logistics, power, coal, chemical, and entertainment sectors. We're seeking an experienced investment professional to join our team.

Job Summary:

We're looking for an exceptional senior resource for our investment team. The ideal candidate will possess substantial experience in financial modelling, investment analysis, and deal execution, with a proven track record of success in investment banking, private equity, or a related field.

Responsibilities:

- Develop and maintain advanced financial models for investment analysis and deal execution
- Prepare investment memorandums, pitch decks, and feasibility studies
- Conduct financial statement analysis and due diligence on potential investments
- Develop and maintain relationships with clients, investors, and banking partners
- Lead and manage the transactions independently
- Collaborate with cross-functional teams to drive business growth

Requirements:

- ACCA/CA/CFA or MBA in finance.
- FMVA Certification is a plus
- 4+ years of relevant experience in investment banking, private equity, or a related field
- Experience working with Big 4 or investment banking groups is a plus
- Strong financial modelling skills and proficiency in Microsoft Excel and other financial software
- Excellent analytical, quantitative, and communication skills
- Ability to work independently and collaboratively within a team
- Strong attention to detail and organisational skills

What We Offer:

- Competitive salary and benefits package
- Opportunity to work with a leading investment firm
- Collaborative and dynamic work environment
- Professional development and growth opportunities

If you're a motivated and experienced investment professional looking for a new challenge, please DM and share your CV.
