

Hiring: Senior Investment Analyst  
Islamabad, Pakistan

ASR Global Services (Watar Partners & Co) is seeking a Senior Investment Analyst with 5–9 years of experience in investment research, financial modelling, and valuations. The role involves leading key workstreams, preparing IC memos, conducting industry research, mentoring junior analysts, and supporting post-investment monitoring for international clients, primarily across the GCC.

Key Requirements:

Bachelor's in Finance/Economics (Master's preferred)

CFA Level 2 (preferred)

Proven experience in financial modelling, analysis, and client-facing deliverables

Exposure to international clients or the GCC market is a plus

We offer a dynamic, inclusive work environment with competitive compensation and benefits on par with leading multinationals.

To apply, send your CV to [hr@ASRGlobalServices.com](mailto:hr@ASRGlobalServices.com) with the subject line: Senior Investment Analyst.
