

A large chemicals manufacturing company (subsidiary of a German group) based in Sundar Industrial Area Lahore requires a Financial Analyst.

What you will do:

- Analyze financial data of the company and its subsidiaries to support business planning and decision-making
- Prepare financial reports, forecasts, and models
- Monitor key performance indicators (KPIs) and financial trends
- Assist in budgeting and variance analysis
- Collaborate cross-functionally with departments to improve financial performance
- Provide strategic insights and recommendations to senior leadership

What we are looking for:

- Part CFA plus ACCA or bachelor's in accounting & finance
- 2+ years of experience in financial analysis or related roles
- Strong Excel skills; experience with financial software (e.g., SAP, Power BI)
- Excellent analytical, organizational, and communication skills
- Ability to thrive in a fast-paced, data-driven environment

Why Join Us?

- Market competitive salary & benefits
- Growth and learning opportunities
- Supportive, collaborative work culture
- Company provides pick and drop facility from major points in Lahore city.
