

## **We're Hiring: Unit Head – Mergers & Acquisitions (M&A)**

 Karachi |  Leadership Role

A dynamic Investment & Asset Management client is on the lookout for a strategic Unit Head – Mergers & Acquisitions (M&A) to lead transformative deals and shape the company's growth journey.

### **Key Responsibilities**

- Develop and execute the company's M&A strategy aligned with overall investment goals.
- Identify, evaluate, and source high-potential acquisition and merger opportunities.
- Conduct detailed financial analysis and valuation of target companies.
- Lead end-to-end due diligence, including financial, legal, and operational assessments.
- Structure deals and negotiate terms to ensure optimal outcomes for the company.
- Manage the full transaction lifecycle, from initiation to successful deal closure.
- Coordinate with legal, finance, and advisory teams at all stages of the deal.
- Oversee post-merger integration to ensure smooth transitions and synergy realization.
- Prepare investment reports and present recommendations to senior management and the board.
- Monitor market trends and industry developments to identify new investment opportunities.

### **Requirements**

- Experience: 10–15 years in M&A, corporate finance, or investment roles
- Education: MBA or Master's degree in Finance
- Certifications: CFA, ACCA, or equivalent qualification is a strong advantage
- Proven track record of successfully handling large-scale investment deals

### **Location & Timings**

Clifton, (Block 9) - Karachi
