

Engro Fertilizers is looking for a Business Analyst with a CA, CFA, or MBA and 5–7 years of relevant experience.

The role drives financial planning, analysis, and decision support, building robust financial models for budgeting, forecasting, and strategic planning.

Character-based leadership is the cornerstone of our value-driven culture at Engro. We aim to create meaningful impact through desired behavior, exceptional service, and a high sense of responsibility. You can find out more about our core values here: https://lnkd.in/eqYyy_Zu. If these values resonate with you, we encourage you to apply and become part of our journey. We are an equal opportunity employer and encourage candidates from diverse backgrounds to apply.

Apply by 22nd October 2025: <https://lnkd.in/da98rFW9>
