

Senior Financial Reporting Analyst

XPRT ACCOUNTECH SERVICES (XATS) PVT LTD · Islamabad

About the job

XPRT ACCOUNTECH SERVICES (XATS) PVT LTD, established in Pakistan by the Saudi-based Multinational Group, is a back-office shared services company. XATS provides Finance, Accounting, ERP, IT, data analytics, consulting, and other back-office support exclusively tailored for its parent group.

Job Objective:

The role is responsible for delivering high-quality financial and business analysis, including periodic management reporting, budget control, cash flow forecasting, and group-level consolidated reporting. The position will also contribute to the development of dashboards, support annual budget preparation, and assist in automating reports and creating insightful Power BI dashboards and other analytical assignments to support strategic decision-making.

Qualification:

Master's degree in finance or Qualified ACCA/CA/CFA with 5 – 8 years of experience in financial analysis and reporting.

- Strong command of budgeting, management reporting, scenario analysis, and performance dashboards.
- Proficiency in ERP systems, advanced Excel, and business intelligence tools such as Power BI, Tableau, or equivalent.
