

## **Equity Trader**

Fort tech · Karāchi, Sindh, Pakistan (On-site)

### **Job Description:**

We are seeking a skilled and detail-oriented **Equity Trader** to join our dynamic trading team in Karachi. The ideal candidate will be responsible for executing equity trades on behalf of clients or the firm, monitoring market trends, analyzing data, and making informed trading decisions to maximize returns while managing risk.

### **Key Responsibilities:**

- Execute buy and sell orders for equities in line with client instructions and market opportunities.
- Monitor stock market activity, price trends, and volume patterns to identify trading opportunities.
- Conduct technical and fundamental analysis to support trading strategies.
- Maintain compliance with SECP regulations and company policies.
- Build and maintain strong relationships with institutional and retail clients.
- Provide clients with market insights, trade ideas, and portfolio advice.
- Keep accurate records of transactions and generate reports for internal and client use.
- Collaborate with research, risk, and operations teams to ensure seamless execution and settlement.
- Stay updated on local and international financial news that could impact the equity markets.

### **Requirements:**

- Bachelor's degree in Finance, Economics, Business, or a related field. A Master's degree or relevant certifications (e.g., CFA, FRM) is a plus.
- Proven experience in equity trading or financial markets.
- Strong understanding of the Pakistan Stock Exchange (PSX) and regulatory environment.
- Excellent analytical, decision-making, and problem-solving skills.
- Ability to work under pressure and in a fast-paced trading environment.
- Proficiency in trading platforms and financial analysis tools.
- Strong communication and interpersonal skills.
