

## **Investment Banking Analyst**

### **Job Description**

**Position:** Investment Banking Analyst **Experience Level:** 0–1 Years **Location:** Karachi, Pakistan

**Job Type:** Full-Time

### **About Optimus Capital**

Optimus Capital Management (Private) Limited is a licensed financial services firm and a TREC holder of the Pakistan Stock Exchange. We provide equity brokerage, institutional research, and corporate advisory services. Our Investment Banking division is a trusted advisor to some of Pakistan's leading corporates, institutions, and business groups—specializing in mergers and acquisitions, capital raising, debt structuring, and other strategic transactions across sectors.

### **Job Summary**

We are seeking an Analyst to join our Investment Banking team. This role offers the opportunity to work on high-impact transactions from day one, supporting senior bankers in the execution of equity offerings, private placements, M&A, and other strategic mandates. The position is well suited for individuals looking to build a strong foundation in financial advisory, valuation, and transaction execution at one of Pakistan's leading advisory platforms.

### **Key Responsibilities**

- Conduct research and analysis on industries, companies, and transactions.
- Build and maintain financial models, including DCF and comparable valuation analyses.
- Assist in the preparation of client presentations, information memoranda, and investor materials.
- Support deal execution, including due diligence coordination, regulatory filings, and structuring.
- Monitor capital markets and macroeconomic developments relevant to active mandates.

### **Qualifications Required**

- Bachelor's degree in Finance, Economics, Accounting or a liberal arts background.
- Strong analytical and quantitative skills; basic knowledge of corporate finance and capital markets.
- Proficiency in Microsoft Excel and PowerPoint; experience with financial modeling is preferred.
- Excellent communication skills, attention to detail, and a high degree of initiative.
- Ability to manage multiple tasks and meet tight deadlines in a transaction-driven environment.
