

Manager Investment Banking

Pak China Investment Company Limited · Islāmābād, Pakistan (On-site)

About the job

Functional Reporting:

Divisional Head Investment Banking

Basic Responsibility/ Function:

Manager will play a critical role in supporting the company's investment banking activities, including syndications, equity investments and advisory services. Manager will lead research, financial modeling and investment pitch decks, while also working closely with clients to assist and execute the transactions.

Roles & Responsibilities:

- Lead, structure and manage syndicated transactions, including debt and equity syndications.
- Conduct thorough due diligence and evaluate investment opportunities in pre-IPOs, IPOs, and underwritings, while devising and proposing exit strategies.
- Prepare / process credit proposals/ approvals for Risk department and credit committee.
- Assess and execute private equity investment opportunities.
- Conduct comprehensive financial analysis and develop/analyze financial models for debt project financing, equity offerings and other investment banking services.
- Coordinate with legal, tax and other departments / external consultants to ensure smooth execution of transactions.
- Stay informed on the regulatory and economic environment affecting the investment banking landscape.
- Provide mentorship and guidance to junior analysts and team members, fostering a collaborative and efficient work environment.
- Any other task assigned by Divisional Head Investment Banking.

Qualification and Experience:

Minimum bachelor's degree in Finance, Economics, Business Administration, CFA, CA or ACCA with at least 5 years' experience of Investment Banking in Financial Institutions.

Skills Required

- Exceptional analytical skills and attention to details.
- Proficiency in financial modeling and analysis.
- Strong communication skills, both written and verbal, with the ability to present complex financial information in a clear, concise manner.

- Ability to work under pressure, manage multiple projects and meet deadlines.
- Ability to work effectively in a team environment and collaborate with senior management and clients.
