Investment manager
Pak-Qatar Family Takaful Limited (PQFTL) • Malakand Division, Khyber Pakhtunkhwa, Pakistan (On-site)

About the job

Company Description Pak-Qatar Family Takaful Limited (PQFTL) is Pakistan’s pioneer and only dedicated Family Takaful company, offering Shariah-compliant financial protection and investment solutions for individuals, families, and businesses. Backed by strong credit ratings of “AA” (VIS & PACRA) and “AM2+” as a Pension Fund manager by PACRA, PQFTL provides a comprehensive suite of products including savings, education, priority protection, and voluntary pension plans. The company is incorporated in 2006 and regulated by the Securities and Exchange Commission of Pakistan (SECP), ensuring robust governance and compliance. An independent Shariah Advisory Board, chaired by Mufti Muhammad Hassaan Kaleem, certifies all products and operations, reflecting PQFTL’s commitment to Islamic principles of cooperation and mutual support. PQFTL focuses on delivering reliable and ethical protection against unforeseen risks, helping clients secure their loved ones and their future.

Role Description The Investment Manager is a full-time, on-site role based in Malakand Division, responsible for managing and optimizing investment portfolios aligned with PQFTL’s Takaful and pension products. The role involves conducting market and sector analysis, evaluating investment opportunities, and making recommendations that adhere to Shariah guidelines and internal risk frameworks. The Investment Manager will monitor portfolio performance, prepare regular reports and presentations for management, and support strategic asset allocation decisions. Daily tasks include collaborating with the Shariah Advisory Board and compliance teams, ensuring all investment activities meet regulatory requirements and company policies, and engaging with internal stakeholders to align investment strategies with business objectives. The role also includes contributing to product development initiatives by providing investment insights and forecasting market trends.

Qualifications

- Strong investment analysis and portfolio management skills, including experience with fixed income, equity, and money market instruments.
- Knowledge of Islamic finance and Shariah-compliant investment principles, ideally within Takaful or related financial services.
- Proficiency in financial modeling, valuation techniques, and quantitative analysis using tools such as Excel or relevant software.
- Ability to interpret economic and market data, prepare clear investment reports, and present findings to management and stakeholders.
- Bachelor’s or Master’s degree in Finance, Economics, Business, Accounting, or a related field; professional certifications (e.g., CFA, FRM, Islamic finance credentials) are an advantage.
- Familiarity with regulatory frameworks in Pakistan’s financial sector and adherence to risk management and compliance standards.
- Strong analytical, problem-solving, and decision-making abilities, with attention to detail and integrity in handling financial information.
- Effective communication and collaboration skills, with the ability to work on-site in
