

Unity Foods Pvt Ltd is hiring Executive in Investment department.

Key Tasks:

- Conduct and support research on macroeconomic trends, industry sectors, and company-level analysis, including subsidiaries.
- Monitor market news, trends, and evolving investment narratives, translating them into actionable insights for the investment team.
- Compile and present industrial and economic data at defined frequencies to support strategic decision-making.
- Contribute to the development of investor pitch decks and presentation materials for various stakeholders, including investors, credit rating agencies, lenders, banks, and public/private institutions.
- Assist in managing end-to-end investment processes, including acquisitions, divestitures, portfolio oversight, and fund-raising initiatives.
- Support data management efforts related to departmental activities and transaction documentation.
- Maintain and update existing financial models, while also assisting in the development of new models to facilitate informed investment decisions.

Education: Bachelor's or Master's degree in Finance, Economics, or a related field, preferably with CFA Level 1

Experience Required: 6 months - 1 year in brokerage house/AMC/Investment Banking

Skills Required:

- Strong grip on developing pitch decks and MS Excel.
- Desktop research and data management
- Theoretical understanding of financial statements and macro-economic indicators
- Analytical skills with ability to manage deadlines
