

George M. Rimakis, CFA

George Rimakis, currently works for FactSet Research Systems, in Norwalk, CT. He leads the Data Enablement team within the Data Solutions organization, working with both internal and external stakeholders to design and execute technical solutions to their business problems. Prior to that George led the Benchmarks Development team at FactSet, focused on Fixed Income and Equity Indices. He also volunteers with Junior Achievement, teaching Economics to grade school students. George earned his CFA Charter in 2017 and holds a Bachelor's of Science in Finance from the University of Connecticut. In his free time, he enjoys cooking, tinkering with vintage computers, and watching classic films.
