

GarMark Partners

Analyst – Investment Team (2025 Start)

About GarMark Partners:

Founded in 1997, GarMark Partners is one of the longest tenured managers of private debt and equity capital in North America, having invested more than \$1.5 billion in over 100 companies. GarMark invests debt and equity capital in middle market companies and employs a flexible investment strategy that encompasses a wide range of transaction types, structures and industries. GarMark is currently completing investment of its fourth fund with offices located in Vero Beach, FL and Stamford, CT.

GarMark is seeking motivated individuals interested in joining as an Analyst, with the position expected to be a two to three-year assignment operating primarily in the firm's Vero Beach, FL office.

Why Join GarMark as an Analyst?

- **Direct Exposure:** Work side-by-side with senior partners and gain real responsibility from day one
- **Broad Skill Development:** Build expertise across financial modeling, due diligence, portfolio monitoring, and investor relations
- **Deal Experience:** Participate in evaluating live transactions across a wide range of industries and structures
- **Collaborative Culture:** Join a lean team where your work has immediate impact
- **Career Springboard:** Build a foundation for a long-term career in private credit, private equity, corporate development, or business

Day in the Life of an Analyst:

- **50% Transaction Work:** Sourcing, screening, financial modeling, and due diligence on live investment opportunities
- **30% Portfolio Monitoring:** Preparing quarterly valuations, tracking performance, and working with management teams on key initiatives
- **20% Investor and Internal Reporting:** Helping prepare materials for our investors and internal investment committees

What You'll Do:

- Research companies and industries to identify and screen new investments
- Build and maintain detailed financial models to evaluate returns and deal structures
- Support transaction execution, including due diligence, preparation of internal investment memoranda, and document review
- Monitor portfolio companies and prepare quarterly valuations
- Contribute to investor materials and quarterly reporting

What We Look For:

- Bachelor's degree or higher in Finance, Economics, Business or a related field
- Strong analytical and quantitative skills with advanced proficiency in Excel and PowerPoint (experience with analytics platforms, business intelligence software, and data visualization tools a plus, including Microsoft Power BI and S&P Capital IQ)
- Excellent communication skills – both written and verbal
- Self-starter mentality with the ability to thrive in a small, fast-paced environment
- Intellectual curiosity, high attention to detail, and eagerness to learn and grow
- Prior experience in investment banking, credit, corporate finance, or internships in related fields is a plus, but not required
- Candidates must be eligible to work in the U.S. without sponsorship

Program Details:

- **Program Length:** 2 – 3 years
- **Location:** Vero Beach, FL (hybrid flexibility available)
- **Compensation:** Competitive base salary + benefits
