

## ASSOCIATE (INVESTMENTS)

PFM Capital Inc. is seeking to add a new member to its Investment Team as an Associate. **The position will be based in Regina, Saskatchewan, at PFM's head office.** This is a mid-level position, with material advancement opportunity within the PFM investment team and the opportunity to contribute to various areas within PFM's portfolio and the responsibilities of the broader deal team.

As an Associate, you will be expected to play a leading role in the structuring, due diligence and analysis of new investment opportunities, as well as aid in their origination and structuring under the supervision of senior members of PFM's Investment Team. More specifically, your role will include financial modeling, valuation and market analysis as well as recommending, preparing and presenting investment decisions to PFM's Investment Team and Investment Committee. It will also include an outward-facing role within the Saskatchewan business community, representing PFM's interests at industry events and developing relationships with key local contacts in the pursuit of broad deal origination. Additionally, your role will include involvement in monitoring companies within PFM's portfolio, including providing analysis, reporting, board monitoring, and other tasks in support of the portfolio management decision-making process.

The successful candidate will work closely with all PFM team members and will report directly to a Director of Investments.
