OUR MISSION

The Mission of CFA Society West Michigan is to lead the investment profession locally by setting the highest standards of ethics, education, and professional excellence.

OUR VISION

We envision a CFA Society that:

- All serious investment professionals in West Michigan aspire to be part of;
- Investment professionals go to when seeking continuing education;
- Leads the financial community's thinking and practice in the area of ethics;
- Supports local candidates in their quest to become CFA charterholders; and
- Partners with other local institutions and organizations to deliver on the mission.

BOARD OF DIRECTORS EXPECTATIONS

The Board of Directors shall consist of the following members and elected by the membership:

- President
- Vice President
- Secretary
- Treasurer
- Membership
- Programming
- Candidate Engagement
- Advocacy
- Brand Awareness
- Volunteer
- CFA Institute Research Challenge

Board members are elected to either one-year, two-year or three-year terms. If a director should resign from the Board prior to his term ending, the remaining Board may appoint a replacement to serve out the resigning member's term.

The Board's function is to act on behalf of the general membership and to establish society policies in accordance with the society's bylaws. In order for the Board to function, the society should have clearly written bylaws, a mission statement and goals, which should be reviewed on a regular basis to ensure completeness, accuracy relevancy, and consistency. Board members have three roles:

1. Set strategic direction: Determine mission/vision/purpose and ensure effective planning
2. Ensure adequate resources: Select staff, financial resources, build a competent board, enhance standing
3. Fiduciary oversight: Support staff, strengthen programs, protect financial assets, ensure legal/ethical integrity

BOARD VOLUNTEER APPLICATION

Board members also have three legal duties:

- Care: show up prepared and engaged, participate, and pay attention; attend board and committee meetings, exercise independent judgment, review board packets/materials in advance of the meeting.
- Loyalty: loyal to the mission of the organization; adhere to the conflict of interest policy; avoid use of corporate opportunities for personal gain; maintain confidentiality.
- Obedience: comply with regulatory and reporting requirements, governance documents, policies, Board decisions, tax and IRS codes. Stay true to the organization's mission.

To best serve the board and the organization, follow these tips:

- Accept committee and board assignments with enthusiasm — and then follow through. Use all your professional skills to draft recommendations, carry out tasks, and help the board do its work between meetings.
- Come to meetings prepared; ask questions when something seems unusual or when you do not understand something.
- Be prepared to respect and learn from different viewpoints on the board while participating in robust discussions to find the best options for the organization.
