

October 2024

Dear Valued Member,

October is Global Ethics Month, in support of the campaign, we encourage you to visit [CFA Institute Connexions](#) for a variety of articles and resources to practise your ethical decision-making skills and work through case studies featured in the Ethics in Practice series.

We thank all our members who attended and viewed the CFA Society South Africa 2024 Annual Investment Conference on the 5th of September in Johannesburg. This annual flagship event was a great opportunity for members and the investment community to come together and interact and exchange ideas.

UPDATES

CFA SOCIETY SOUTH AFRICA DAY OF THE GIRL JOB SHADOWING INITIATIVE

October the 11th marks International Day of Girl. We are delighted that over 50 financial services firms have confirmed their participation in the CFA Society South Africa Day of The Girl job shadowing initiative for Grade 10 and 11 girl learners taking place between the 7th and 11th October.

The purpose of the job shadow initiative is to create awareness of the investment industry among girl learners in order to develop a broad understanding of; the existence of the industry, how it broadly fits into the economy, what possible career options are within the industry and what university subjects would position the learners to enter the industry.

CFA INSTITUTE LIVE 2025

Get the most out of your membership by connecting with other CFA charterholders. Learn from other high-performing financial professionals and apply new ideas to your business.

Back by overwhelming demand, our global conference will return to bring investment professionals together in 2025. Designed to deliver relevant, timely, and objective industry knowledge, deepen professional connections, and elevate career goals.

[Register now](#), early registration closes **31 October**.

Chicago, Illinois, USA

CFA Institute Professional Stories and Insights -spotlight on Africa

CFA Institute are writing a series of articles on African investment topics and are seeking CFA charterholders to share their expertise and insights. The selected interviewees articles will appear on the CFA Institute Professional Stories and Insights hub <https://www.cfainstitute.org/en/professional-insights-stories> and promoted by CFA Society South Africa.

The 4 article topics include

1. Can Africa close its infrastructure gap?
2. Could impact investing help Africa feed the world?
3. How capital market development can help shape Africa's future
4. Africa's burgeoning wealth management opportunity

If you are interested in participating, please contact **Linda Hawkins**, Executive Officer linda@cfa.ac.za for further information.
