future

The Ministry of Social Services' Income Assistance Programs Division is seeking a **Consultant, Financial Services** to join the Financial Operations Unit. Reporting to the Manager, Financial Operations, the successful candidate will be responsible for developing and supporting the financial components of the divisions program plan.

As a professional, energetic, methodical thinker who is able to take the initiative while showcasing your excellent interpersonal, communication and leadership skills, you will be responsible to:

- Provide leadership in the development, analysis and evaluation of the divisional budget, financial variance reports and forecasts;
- Provide training, direction, interpretation and guidance to division management and staff (central and service area) on budget planning and development, forecasting, expenditure and financial management procedures;
- Analyze and strategize with senior divisional management on changes to future programming needs, implementation of new resources, realignment and/or deletions in existing services;
- Support and participate in issues related to existing or new programs/policies to support evidence-based decision making, budget development and program planning;
- Conduct reviews and audit of division's service delivery to external clients and internal processes and systems and make recommendations; and,
- Provide leadership and direction to financial analysts in the Financial Operations Unit.

If you are an experienced, results-oriented professional who uses an influential and collaborative communication style, we want to hear from you! You will demonstrate the ability to be detail oriented, analytical, objective, respectful and diplomatic.

Typically, the knowledge for this position is obtained through a university degree in accounting or finance and completion of a professional accounting designation such as the Chartered Professional Accountant (CPA). An equivalent combination of education and experience will also be considered. Considerable exposure to public sector experience is an asset.
