

Position for Portfolio Investment Analyst at a Singapore-based Hedge Fund

A Singapore-based asset management company is looking to hire a hard-working Portfolio Investment Analyst for its successful Equity-Hedge Fund.

The candidate will initially be based in Pakistan and likely to be moved abroad at an appropriate time. Successful candidate will be registered with Monetary Authority of Singapore (MAS).

We are looking for:

- An analyst with keen interest and passion for investment in stocks.
- An individual who is willing to work 10 hours every day. Working hours will include two shifts: Day shift 10am-3:30pm PST and Evening shift: 6pm – 9:30pm PST. Five days a week.
- An analytical mind, passion for continuous learning and humility will be key determining features of the successful candidate.

Candidate should have:

- > A Bachelors/Masters degree from Pakistan or abroad. CFA charter or completion of any CFA levels would be a plus.
- > Minimum of 1 year and maximum of 5 years of investment research experience.
- > Very strong Excel skills, a background in and advance understanding of economics and finance.
- > Ability to code and programming skills will be a significant advantage.

Highly competitive salary, bonuses and paid vacation time will be offered to the successful candidate. Kindly mention your current gross and expected salary in the body of the email application.

Hiring process will be completed in January and candidate is expected to join from 1st March 2024.

Interested eligible candidates can apply at the following email address:

admin@thefountainhead.sg

Deadline for applications is January 15, 2024.
