

Manager Finance

Job Summary:

A Manager Finance is an associate at Creative Chaos who is responsible for managing and maintaining the organization's financial health and supporting its long-term financial objectives.

Duties and Responsibilities:

- Assist with all aspects of finance and accounting, including accounts payable, accounts receivable, and payroll
- Compile monthly financial statements and prepare the monthly financial package for management
- Assist with cash forecasting and monitoring to ensure working capital needs are met
- Maintain a chart of accounts
- Assist with project budgeting
- Prepare grant reporting and filings
- Assist with statutory filings with states, including payroll, sales tax, and property taxes
- Liaise with management regarding financial results, strategic initiatives, and ad-hoc reporting
- Assist each department in the entity to create budgets and efficient processes
- Complete month-end closing of books
- Create revenue recognition according to ASC 606
- Other duties as assigned

Requirements

- Preferably ACCA and related academics. Additional certifications are a plus (CPA, CFA, CMA)
- Minimum 10-12 years of relevant experience preferably in a technology firm
- Experience in US accounting will be preferred
- Experience with NetSuite is a plus
- High level of professionalism, confidence, and discretion
- Superior process, project, time, and change management skills
- Exceptional intuition with the ability to proactively anticipate needs
- Independent decision-making capabilities with strong judgment
- Great organizational skills and logical thinker who can prioritize and pivot quickly between tasks while retaining and synthesizing information
- Ability to work calmly under pressure while maintaining meticulous attention to detail
- Excellent written, verbal, and interpersonal communication skills

- The persistence to 'breakthrough walls' to solve problems
- Basic technological proficiency required, advanced proficiency preferred; willingness to learn a wide range of new technologies and applications
- Shift timings (2 PM to 11 PM)
