
Job Title: Financial Modelling Expert

We are currently seeking a skilled Financial Modelling Expert on behalf of our client to join their team. As a Financial Modelling Expert, you will be responsible for creating and maintaining complex financial models to support investment and business decisions. The ideal candidate will have experience in investment banking and a CFA certification is preferred.

Responsibilities:

- Develop complex financial models for investment and business decision-making purposes
- Conduct financial analysis and valuation of companies and projects
- Collaborate with cross-functional teams to ensure the accuracy of financial models and projections
- Develop and maintain financial databases and assist in data management
- Monitor and analyze financial market trends and provide insights to management

Requirements:

- Bachelor's or Master's degree in Finance, Economics, or related field
- 3+ years of experience in financial modelling and analysis
- Investment banking experience preferred
- CFA certification preferred
- Strong analytical and problem-solving skills
- Excellent written and verbal communication skills
- Proficiency in Excel and financial modelling software

Salary Range: Rs. 600K+ per month (indicative)
