

Al Meezan
Investment Management Ltd.

Career Opportunity

Al Meezan Investment Management Limited, the largest Shariah Compliant Asset Management Company of Pakistan with a track record of over 27 years, is looking for a candidate for the following position in Karachi:

Management Trainee – Product Development

Job Requirements:

- Follow international and local markets (Stocks, Foreign Currency, bonds) and asset prices (Oil, Gold, Silver, Bitcoin etc) on daily basis to evaluate trend, news and understand global implication of changing dynamics.
- Research on international products, including ETFs, cryptocurrencies, ESG Funds, etc. Study the structure of such products and establish contacts with international fund managers/ product analysts, etc as a means to further increase product understanding, if required. The idea is to research and bring new product concepts to the team's knowledge.
- Be able to understand complex spread sheets and be able to develop financial models (models are based on product regulations, which are readily available so the individual would need to understand the provided regulations and translate those into a financial model).
- Be fluent in English (written and spoken), as product documentation requires writing reports/ papers which capture the basic mechanics of the product.

Job Specifications:

- BBA / BS Finance
- Must be CFA level 1, or be willing to pursue and complete CFA level 1 within six months.

Requisite Skills:

- Financial Modelling, Analytical & Research skills
- Project Management, Planning & organizing
- Excellent Data illustrative, drafting & presentation
- Ability to work with multiple stakeholders with stringent timelines
- Proficient oral and written communication

We offer competitive remuneration package along with attractive benefits to selected candidate. Those who wants to make career in Islamic investments and fulfill the requisite qualification may apply. Send your applications and mention the position and location in subject line hr@almeezangroup.com. Only shortlisted candidates will be contacted.

Females are encouraged to apply

We are an equal opportunity employer
