

Job Vacancies: Investment Analyst and Senior Investment Analyst – Financial Consultancy Firm

Location: Lahore, Pakistan (On-site)

About Us:

We are a prominent Financial Consultancy firm headquartered in the Kingdom of Saudi Arabia (KSA) with a growing presence. While we are KSA-based, these positions will be based in our Lahore back office. Our mission is to provide innovative investment solutions and deliver exceptional value to our clients. We are seeking dedicated professionals to join our team and contribute to our continued growth and success.

Roles Overview:

1. Senior Investment Analyst:

As a Senior Investment Analyst, you will take on a leadership role within our advisory team. Your extensive experience in financial modeling, PowerPoint, and expertise in VBA and macros will be crucial. You will lead complex projects, conduct in-depth research, and provide guidance to junior analysts.

2. Investment Analyst:

As an Investment Analyst, you will work closely with our team to conduct financial modeling, market research, and analysis. Your skills in VBA and macros will be essential for automating processes. You will support the team in preparing investment materials and presentations.

Key Responsibilities for Both Positions:

Develop and maintain complex financial models to evaluate investment opportunities.

Conduct in-depth market research and analysis to identify trends and opportunities.

Prepare investment memos, pitch decks, and presentations for clients and stakeholders.

Collaborate with the team to assess potential investment risks and returns.

Assist in due diligence processes and financial analysis of target companies.

Stay updated on market trends and industry developments.

Utilize VBA and macros to automate processes and enhance efficiency.

Qualifications:

Bachelor's degree in finance, Economics, or a related field. Must be pursuing CFA.

3 to 5 years of experience in financial analysis and modeling.

Proficiency in financial modeling and valuation techniques.

Advanced skills in Microsoft Excel and PowerPoint.

Strong analytical and problem-solving skills.

Excellent written and verbal communication skills.

Expertise in VBA and macros for process automation.

What We Offer:

Competitive salary (USD denominated) and benefits package.

Opportunity to work with a dynamic and experienced team.

Exposure to high-profile investment projects.

Career growth and development opportunities.

How to Apply:

We encourage you to apply if you are a dedicated Investment Analyst with expertise in VBA and macros. Please send your CV to usmiftikhar@gmail.com with the subject line "Investment Analyst Application - Lahore." Be sure to include a cover letter highlighting your relevant experience and skills.

For the Senior Investment Analyst position, please mention "Senior Investment Analyst Application - Lahore" in the subject line.

Join us in shaping the future of Financial Consultancy in Lahore, Pakistan, and beyond. Your expertise could be the key to unlocking new investment opportunities for our clients. Apply today and embark on an exciting journey with our team! Please note that applicants without VBA and macros expertise need not apply.
