

**Lucky Cement Limited** is currently looking for a  
**Junior Financial Planning & M&A Analyst.**

Please find the details as mentioned:

**Reports to:** Financial Planning & M&A Manager

**Department:** Financial Planning & Mergers and Acquisitions

**Job Summary:**

We are seeking a highly motivated and detail-oriented Junior Financial Planning & M&A Analyst to join our team. The successful candidate will assist in managing financial planning and M&A projects, analyzing financial data, and providing support to the senior management team.

**Key Responsibilities:**

- Assist in developing financial models and forecasts for M&A deals
- Analyze financial data to identify trends and opportunities for growth
- Coordinate and manage project timelines, milestones, and deliverables
- Prepare presentations and reports for senior management and stakeholders
- Collaborate with cross-functional teams, including legal, due diligence, and integration
- Conduct market research and industry analysis to inform M&A strategies
- Assist in managing deal pipelines and tracking progress
- Perform ad-hoc financial analysis and special projects as needed

**Requirements:**

- Bachelor's degree in Finance, Accounting, or related field
- 1-2 years of experience in financial planning, M&A, or project management
- Strong financial modeling and analytical skills
- Excellent project management and organizational skills
- Proficient in MS Office, particularly Excel and PowerPoint
- Strong communication and presentation skills
- Ability to work in a fast-paced environment and meet deadlines

**Nice to Have:**

- MBA or Master's degree in a related field
- Professional certification (e.g. CFA, CPA)
- Experience with financial software
- Knowledge of M&A deal structures and agreements

**What We Offer:**

- Competitive salary and benefits package

- Opportunity to work on high-profile M&A deals
- Collaborative and dynamic work environment
- Professional development and growth opportunities
