

Job Description

Job title: Senior Research Analyst/Associate

Work Location: Fairways Commercial, DHA Phase 6, Lahore, Pakistan

Division/Department: Investment Management

Reports to: Head of Investment Management/Team Lead

Full-time

Part-time

Overview:

We are looking for a Senior Research Analyst/Associate who specializes in carrying out extensive research, financial modelling, and report writing for our diverse clientele. The successful candidate will also study several investment opportunities from the performance and sustainability perspective. Moreover, they are expected to provide active support in the decision-making process.

Key Duties and Responsibilities:

- Conducting research activities, preparation of daily, monthly, & quarterly reports, IPO notes, and analyses of major market events
- Conducting company & sector coverage, ensuring comprehensive and insightful research outputs
- Building robust and integrated financial models by using Microsoft Excel
- Producing periodic performance presentations for the clients by incorporating key insights, investment trends, and performance metrics
- Collaborating with internal and external stakeholders to gather information critical to the decision-making process
- Attending meetings relevant to the evaluation of new investment opportunities, actively participating in discussions, and providing expert insights

Education and Skill Requirements:

- Bachelor's Degree in Accounting/Finance/Economics (or a related field), CFA Charter holders or candidates pursuing the CFA Charter will be given preference
- 3-4 years of work experience in a similar role
- Excellent verbal and written communication skills
- Highly Proficient at Microsoft Excel, PowerPoint, and Word
