

Company Background

BMA Capital is one of the leading Securities Trading, Asset Management & Investment Banking firms in Pakistan - established for over 32 years, since 1992. The principal activities of BMA Capital include all aspects of Capital Markets covering Equity Trading, Equity Research, Investment Banking, Fixed Income, Treasury (Money Markets & Foreign Exchange), Commodities, Asset Management, Investment Advisory and Financial Services distribution.

During our journey of over three decades, we have executed landmark transactions emanating out of Pakistan. BMA Capital's proven successful record is a testament to our unparalleled geographical presence across the Country, having the largest national Retail Brokerage operations with 20+ branches, over 100 traders, the largest international broker dealer network and one of the largest client bases of retail, institutional, HNW and international clients. This has translated into financial soundness, strong margins and robust growth across our businesses. We aim to continue to stride and deliver quality services which are at the core of BMA Capital.
