

## **Opportunity to Join Investment Committee Focused on Biodiversity Preservation**

The client is looking for a **financial expert** to join the **Investment Committee of a foundation** dedicated to making a meaningful impact on *biodiversity preservation, particularly in protecting endangered species such as rainforest gorillas and elephants.*

The Candidate should meet the below criteria;

1. Expertise in African Capital Markets: In-depth knowledge of the financial landscape in Africa, especially within the FCFA zone, along with experience in local investments and an understanding of the regional economic conditions.
2. Proficiency in French: Fluency in French is essential, given the regions we operate in.
3. Diversity Considerations: We are ideally seeking a woman from Africa, preferably from southern African countries. However, we are also open to female candidates from other regions to promote gender and regional diversity within the committee.

✚ *Please note that this is a voluntary position.*

Interested candidates to send their CVs to:
