Join Canada's Fastest-Growing Food Business Community

Why You Should Join CFIN Core

For anyone in Canada's food and beverage ecosystem, CFIN Core Membership gives you exclusive access to funding programs, industry events, insightful reports and the broader CFIN community to fuel your growth.

Access Non-Dilutive Funding Opportunities

- Apply for member-only funding programs supporting research and development, commercialization and collaborative innovation across Canada's food and beverage sector.

Join the Industry Conversations

- Participate in CFIN's regional meetups and virtual webinars, connecting you with key voices and emerging trends shaping Canada's food sector.

Plug Into Canada's Food Innovation Ecosystem

- Discover collaborators, funding options and valuable industry insights on YODL, CFIN's exclusive digital platform designed for food innovators.

Receive Virtual Innovation Support

- Get personalized guidance from one of CFIN's five Regional Innovation Directors (RID) by email, helping you navigate challenges and seize new opportunities.

Thousands of Food & Beverage Professionals Have Already Joined

Unlock national exposure, collaborative partnerships and expert support to elevate your business to new heights. Become a part of the Canadian food innovation community today. **Membership takes less than five minutes and is completely free.**
