September 2018

***CFMA's Annual Southwest Regional Conference
Registration Deadline is this Sunday,
September 9th!! Sign Up to Attend Now!***

Venue Change!!

As you have probably seen on the news, The Talking Stick Resort and Casino has been closed since August 9th because of extensive water damage from the monsoon storms this summer.

As a result, our Conference was cancelled on Thursday August 23rd. But WE didn't panic - well I did, however, as luck would have it our #1 choice The Hotel Palomar was now available, and the staff of both hotels worked diligently to arrange the move.

you have hotel reservations at Talking Stick they should have already reached out to you to confirm the cancellation and refer you to The Palomar to provide them with your credit card.

If you haven't already booked your hotel, unfortunately The Palomar is sold out. Recommended hotels in the vicinity, is a brand new Courtyard/Residence Inn which is right across the street from the Palomar and then The Renaissance which is 2 blocks away.

I apologize for this inconvenience.

Be assured that this committee, along with the staffs of both venues will try to make this change as seamless as possible.

Remember, **Registration is only available through 9/9/2018!** Don't miss this Educational and Networking opportunity!!

**BEST VALUE FOR THE PRICE - FOR CFMA MEMBERS, COST IS
\$21.07/CPE HR**

CFMA VoS has supported UMOM for many years and one of the ways we've done that is by participating in their annual Walk to End Homelessness.

Held each September at the Phoenix Zoo, this gives members and their families not only a great way to support a worthwhile local charity, but also a free day at the Zoo for everyone who signs up!

Join the CFMA VoS team, or donate to support it, and if chapter members donate **\$1,500, the Chapter will match it!** Don't miss out on this fun morning - made even more special this year with a **world record attempt for most people walking in flip flops!**

The CFMA VoS Little Library is Complete and Delivered to the UMOM Campus!

We finished the Little Free Library! HUGE THANK YOU to those who participated in building the library: Diana Bujnovsky, David Bujnovsky, Christine Kettelkamp, Bill (from Jenco) and his wife, Katrina.

We stenciled the CFMA logo on one side and the UMOM logo on the other. The front, back and roof are painted the same colors as the house in the UMOM logo.

Thanks to all who donated cash and children's books to make this happen!"

Happy Hour Fun!

This Committee was founded as a result of an initiative started by CFMA's National Membership Committee. The idea has been met with enthusiasm in our Chapter and though CFMA HQ has abandoned the idea, the Valley of the Sun has embraced it and this committee is one of our most active. Limited in membership to those 40 years and younger, it provides an excellent forum for this group of CFMA members to network and problem solve.

Meetings are Quarterly and include a speaker, many times another CFMA VoS member.
