Nominate for Executive of the Year: General Contractor, Subcontractor and Emerging Professional!
Nomination deadline: January 31, 2020
2020 Construction Executive of the Year Banquet

The time is NOW to nominate a leader in the Arizona construction industry that you admire and respect for the 2020 Construction Executive of the Year award.

We will recognize three executives this year from the categories of General Contractor, Subcontractor and Emerging Leader.

This year’s winners will be celebrated along with our Pioneer Award recipient, Doug Pruitt, and as part of our 20th Anniversary celebration of the award where we highlight all past winners.

It will be a great event and an amazing group to be honored alongside - so don't miss this opportunity!!

The nomination form can be found here - please submit using this form filled out with all of the information about why your nominee is worthy of this honor - by January 31st.

Any questions please email Michelle Walker or Jared Asay, event co-chairs.
Join Us! AFSP Capital Day 2020
February 3, 2020

CFMA's Valley of the Sun Chapter has been the leader in bringing awareness for mental health and suicide prevention to the construction industry. It is time for us as a group to once again take the lead for our industry and the business community as a whole.

We have been invited to participate in the AFSP (American Foundation for Suicide Prevention) Capital Day 2020 on February 3, 2020. An annual event to address the behavioral health needs of our state by showing public support for legislative attention to this serious issue affecting all of us.

As members of the CFMA VOS community we are asking for your attendance and sponsors to support the costs associated with this type of event. We have listed below how you can help.

1- ATTEND - we need to show significant interest by the business community with this issue. Attendance can be for the rally only (10 am - 11 am) and you are welcome to stay for lunch; the afternoon legislative meetings will require AFSP training so you will not be expected to stay for that portion of the day. For more information and registration, go to: https://afsp.org/event/rally-to-prevent-suicide-in-arizona-state-capitol-day-2020/. . . you will need to register!
2 - TENTS - provide, borrow or rent
3 - CHAIRS/TABLES - provide, borrow or rent
4 - LUNCH - provide or sponsor

We will be sure all sponsors are recognized at least verbally from the podium and if possible, in any materials created.

Please contact David James, Michelle Walker, or Marj Weber if you have any further questions or would like to help.

Save the Date!!  Annual Member Meeting
February 20, 2020

The February luncheon is the Chapter's Annual Member Meeting.

Please be sure to mark your calendars and join us for this program where the membership will vote on the recommended slate of Chapter Officers and Board of Directors for the 2020-2021 season.

Your attendance matters to ensure there is a quorum.

Your vote matters to ensure your voice is heard for business pertaining to YOUR chapter.
Fabulous Times with Great Friends!

Thank You to All Who Contributed to the Chapter's Adopt a Class Initiative!

Esperanza Prep
The Esperanza Prep Academy Adopt A Class event was an amazing and humbling event. We adopted Mr. Jonathan Perrone's 7th grade class. Each of the 12 students were allowed to request four items that fit into the following categories: Something they want, something they need, something to wear and something to read. We raised some of the funds needed to cover the cost, but several individuals and companies pitched in to cover the deficit. We individually wrapped and labeled each gift and delivered the gifts and pizza on December 18th. We were able to stay and be with the kids while they opened their gifts. Many of them opened their gifts very carefully and re-wrapped them so they could take them home and have something to open on Christmas day. Mr. Perrone let me know later that day, the kids were so excited about their gifts that they were still talking about them as they were getting on the bus at the end of the day. Thank you so much to all who donated their time and money to make Christmas special for some very cool kids!
