Cyber Security

Top 10 ways to protect yourself and your organization

Presented by:

**Liz Fraumann, Executive Director
Securing Our eCity Foundation**

All businesses, regardless of size, are at risk of a data breach. While many businesses feel they are not targets for cyber attacks, the majority of cyber criminals are indiscriminate; they target vulnerable computer systems regardless of whether the systems are part of a Fortune 500 company, a small business, or belong to a home user.

Please join us as we discuss the top-ten ways you can protect yourself, your organization and our community from Cyber attacks.

After attending this session, attendees will be able to:

- Assess Cyber Security risks and weaknesses
- Establish security practices and policies to protect sensitive information
- Understand new and emerging cyber threats and how to protect against them
- Identify what to do in the event of an attack or cyber-related emergency

Earn 1.5 CPE Credits in the Field of Computer Science. This is a group-live program at the Basic level. No prerequisites or advanced preparation required.

Who should attend? Anyone is welcome to attend CFMA San Diego meetings, whether a member of CFMA or not. We encourage Department Managers, IT managers and Principals to attend this particular meeting.

The Construction Financial Management Association (CFMA) is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors. State boards of accountancy have final authority on the acceptance of individual courses for CPE credit. Complaints regarding registered sponsors may be submitted to the National Registry of CPE Sponsors through its website: www.learningmarket.org.

Cost:
\$40 members; \$45 non-member guests.

Registration:
Online registration is required. Please register **by Thursday, July 28, 2016**
<http://cafe.cfma.org/sandiegoca/events/recentcommunityeventsdashboard>.

Payment Options:
The CFMA online registration page will allow you to generate an invoice or process a credit card payment via PayPal. Note: A PayPal account is not required for online payments, you may check-out as a guest.

Refunds and cancellations:
Request for refunds must be received by July 28, 2016 and no refunds will be granted after this date. For information regarding refunds, complaints, or program cancellation policies, contact Lynn Hanson- 760-598-7614 or lhanson@gnrgc.com

Liz Fraumann

Liz Fraumann is the Executive Director of the Securing Our eCity Foundation which is focused on helping San Diego become a community where we can all live, work and play in a cyber-safe environment. This is done through community awareness programs, education and actual preparedness exercises. Prior to this role, Ms. Fraumann was the Director of Marketing at ESET, North America where she helped the organization more than double its market awareness in North America.

Fraumann is a seasoned veteran of the high-tech industry, with a broad background in marketing and marketing communications. She has received numerous awards throughout her career.
