GENERAL SCHOLARSHIP INFORMATION

Two \$3,000 Academic Scholarships to be awarded in Spring and Fall Semesters

We acknowledge that one of our primary goals is education. We also acknowledge the need for qualified employees in the field of construction accounting and finance. These needs will largely be filled from graduating students of our area schools. We hope these scholarships will prove to be an investment in the field of construction in the Dallas/Fort Worth area by providing promising construction professionals with some financial assistance while completing their studies. The Dallas/Fort Worth Chapter of the Construction Financial Management Association (CFMA) has established a Scholarship program to award Scholarships to qualified candidates.

Scholarships are awarded twice a year during the spring and the fall. Scholarship applications should be received no later than May 15th and November 1st. Awards will be presented in the June meeting in the spring and the November meeting in the fall. Previous recipients are eligible to re-apply in any semester that they qualify, but a new application must be submitted each time.

The applicant must satisfy the requirements below in order to be considered for the scholarship:

General Eligibility Criteria

1. Demonstrate a relationship with CFMA, TEXO or American Subcontractor Association (ASA) by answering the respective questions on the application form. OR

Candidate graduated from a high school located in the Dallas/Ft. Worth area. OR

Candidate is attending a college/university in the Dallas/Ft. Worth area. OR

Demonstrate the ability or desire to pursue a career in accounting/finance in the construction or related industry in the Dallas/Ft. Worth area on the personal essay submitted.

2. Preference will be given to candidates that are majoring in Accounting or Finance; however candidates in other fields of study may still be considered for a scholarship award.
3. Conditions and Restrictions: The scholarship committee reserves the right to deny any applicant if they feel they do not meet the requirements. Scholarships are limited to the amount and number by a decision of the board on a yearly basis. All Applicants will be considered equally without regard for race, creed, religion, ethnicity or sexual orientation.

Academic Scholarship Criteria

1. Have maintained a grade point average of 3.00 or higher on a 4.00 scale (in college or university).
2. Must have completed at least entry-level accounting, finance, business or construction-related classes.
3. Provide a letter of recommendation that demonstrates excellence or achievement in academic ability and character.
4. On a separate page, write a one-page personal essay outlining your goals and include in what geographic area you expect to achieve them.
