

**University of Alaska Foundation
CFMA-Ron Jones Scholarship Fund**

August 27, 2010

As promised, Alaska's Last Frontier Chapter of CFMA has established a Scholarship Endowment Fund at the University of Alaska Anchorage for direct scholarship support for degree-seeking students enrolled in the Construction Management Program, and that are residents of Alaska. Our goal is to raise \$100,000 over the next three years (2010-2012) and sustain a strong endowment fund that will provide scholarships from the return on investments.

2010 is our first fundraising year. I anticipate a strong response from our members as well as the community, in support of the students, CFMA, and in honor of Ron Jones. Contributions can be from individuals or at the company level, and either a one-time donation or a 2-3 year pledge of commitment. The reward of assisting students will be the educated construction managers flowing into our industry. Your company may also qualify for the Education Tax Credit (ETC). I have attached a breakdown of the tax credits corresponding with contribution levels, but please call me with questions. I can also connect you with UA's Development Director to do a more thorough discussion with you and your company.

Contribution platforms:

Foundation	Up to \$1,000
Founder's Circle	\$1,001-\$5,000
General's Society	\$5,001-\$10,000

A special thank you to UNIT Company for providing the initial contribution of \$5,000!

Attached is the UA Foundation pledge form to complete for contributions to the **CFMA-Ron Jones Scholarship Fund**. Please write all checks to: University of Alaska Foundation, returning the form and contribution to: Alaska's Last Frontier Chapter of CFMA at the address below. You will receive a donation receipt directly from the UA Foundation.

Best regards,

Melissa Myers
