Currently, 155 million people are working and paying Social Security taxes. How much do you know about Social Security benefits and how they impact the financial future of your employees, owners, and clients? The details can be VERY complicated and can have an effect on human resource decisions, compensation decisions, retirement plan decisions, succession planning decisions and your personal retirement decisions.

Want a chance to learn the ins-and-outs from an agency insider? Join us this month as we welcome Mr. Desmond Thornton from the Atlanta office of the Social Security Administration as we take a look at this fascinating topic that affects us all.
