Dear Dan and CFMA Volunteers,

Thank you so much for your volunteer effort and support Homeward Bound received recently from CFMA members. We appreciate your many hours of hard work to paint the inside of our Lee House Home for persons with severe and profound disabilities. CFMA truly is devoted to giving back to the community.

Because of your generous community support, four individuals with disabilities have a home they can be proud of. We truly appreciate your assistance with this important and large project. Homeward Bound is proud to call CFMA members our friends; community partners who show their commitment to our mission through their important volunteer work.

Your contribution to our efforts will go a long way in assuring a quality of life that we can all be proud of for our neighbors who have severe and complex disabilities. Thank you.

Warm regards,
