4 Steps to Better Execution: Getting Things Done in 2020

Presenter:
Mark Miller, M.S.
Senior Partner, Pendleton Consulting

Description:
Intentions minus Actions = Squat. How do we take our good intentions and move them to actions and ultimately, accomplishment? This isn’t rocket science but there is rocket science behind how our brains work and what stops us from executing. During this engaging workshop, you will not only learn the best habits of execution, but you will come away with a plan for yourself to raise your execution game in 2020.

Learning Objectives:
• Setting better goals and expectations that set YOU up to win
• Creating account-ability and feedback loops
• Building engagement to build yourself and the team

Who Should Attend:
From leaders to team members, anyone who is looking to develop better goals and accomplishing those goals in the coming year.

Level and Prerequisites:
No prerequisites or advanced preparation required.
