## Press Release

Cell Phones for Soldiers is proud to announce that **Construction Financial Managers Association - Central PA Region** has joined our program as an official cell phone collection center.

Their address is **c/o JEM Group, LLC, 509 North**

**Second Street, Harrisburg, PA 17101.** Cell phones and all cell phone equipment may be dropped off at their address during normal business hours.

Cell Phones for Soldiers is a registered 501c3 non-profit organization that was started by two Norwell Massachusetts teenagers to help buy pre-paid calling cards to send to our service people serving over seas. Started in April of 2004 Cell Phones for Soldiers has raised close to one million dollars and has sent more than 75,000 pre-paid calling cards to our service people.

In addition to calling cards Cell Phones for Soldiers is now sending video phones to units in the Middle East and to their home base as well so families are able to see each other as they talk. The phone and service are provided free to service people and their families.

The program will accept any model or make phone. You may drop off phones and attached batteries as well as accessories. The phones are recycled for cash to purchase cards or unlimited free video phone calls.

Please visit [www.cellphonesforsoldiers.com](http://www.cellphonesforsoldiers.com) for more information.

**PLEASE BRING YOUR CELL PHONES AND EQUIPMENT TO THE NEXT CFMA MEETING or send them to the drop off location!**
