Hello CFMA Members,

I want to start off by saying that it is an honor to serve as the Chapter's President. For those of you who know me, thank you for placing your confidence in me. Those that don't yet know me, I hope to change that by meeting you at our events this year. As this new CFMA year begins I want to encourage our membership to join one of the following committees:

1. Membership – Chair:
Brandon Writtenberry
2. Programs – Chair:
Chris Henderson
3. Education – Chair: Clarke Cagle
4. Communication – Chair: Justin Adams
5. Community Involvement – Chair:
Ginger Bennett

President's Message

These committees and all those members that volunteer make this Chapter the huge success that it has been. Additionally if you have ever considered being a member of the Board or chairing a committee, please feel free to attend one of our monthly Board Meetings. Contact me for more information.

The first Roundtable of the new fiscal year was held at Claim Jumper on April 19th. Justin and Johnny from Brycon facilitated a great conversation on bridging the communication gap between finance and project management.

Congratulations Jake Dopson with Pulakos CPAs for winning the membership renewal prize.
