

## **Justin A. Boyd, CFA, ASA**

### **Director**

**Services:** Management Consulting

#### **Professional Overview**

Justin provides business valuation consulting services to clients worldwide. For more than 10 years he has performed valuation services for public companies, closely-held businesses, investment funds, real estate holding entities, business interests, derivatives, debentures and intangible assets for a variety of purposes. He has extensive experience in performing valuations under the fair value (ASC 820) and fair market value (Rev. Rul. 59-60) concepts used for financial and tax reporting, respectively. Justin specializes in the valuation analyses related to fair value (ASC 820), acquisition accounting (ASC 805), indefinite-lived intangibles (ASC 350) and stock-based compensation (ASC 718 / IRC Section 409A) as well as complex financial modeling.

Justin also leads the Firm's Transfer Pricing International Services practice specializing in issues related to intangible assets, arms-length pricing, comparable company and transaction benchmarking, profit-split and profit margin analyses under IRC Section 482. He has experience related to rates of return, valuation of debentures, analyzing management fees, normalizing adjustments and intercompany transactions.
