Hi CFRE Ambassadors,

My name is Veronique, and I am your online community manager for this new resource manager for almost 3 years. I love that online communities can bring people together, and provide input to your peers who understand your day in and day out.

When I'm not working, I like to experiment with new cooking methods. I'll be attempting it this weekend, so wish me luck!

Now it's your turn - share who you are, what you are working on, and what you like to do

Tip @mention other users!

- Did you know you can use @mentions in this community? @Mentions work the same way they do on other social platforms, simply type the "@", followed by the first name of the person you would like to mention
- Some great ways to use @mention:
- When you want to reply to a specific person within a thread.
- When you want to notify another community member of a discussion, file or resource he or she may be interested in.

Hi CFRE Ambassadors,

My name is Veronique, and I am your online community manager for this new resource - CFRE Central. I've been an online community manager for almost 3 years. I love that online communities can bring people together, and how you have access to ask questions and provide input to your peers who understand your day in and day out.

When I'm not working, I like to experiment with new cooking methods. I'll be attempting to cook a steak using the "sous vide" method this weekend, so wish me luck!

Now it's your turn - share who you are, what you are working on, and what you like to do for fun!
