

HSR Forum

Please join us for the inaugural SafeWork NSW Health & Safety Representative (HSR) Forum.

The forum is for all current HSRs who want to develop their WHS skills and have an opportunity to network with other HSRs and discuss safety issues.

The forum includes informative sessions and provides an opportunity to collaborate with SafeWork NSW Inspectors and representatives across industry and community.

The forum will assist HSRs to develop an understanding of and/or skills in:

- WHS Legislation
- Provisional Improvement Notices
- Conflict Resolution
- Safety Around Moving Plant (Forklift Safety)
- Consultation
- Respect at Work

This forum will also launch the new HSR Portal. The new enhanced portal will be used by business to notify SafeWork NSW of the current HSRs in their workplace.
