The second grant was provided by Delta Dental for \$22,500, which will go towards dental equipment, exam supplies, hygiene supplies, restorative care and instruments!

BOARD MEMBERS IN ACTION

Physicians Care Connection has been very fortunate to have such an amazing Board. PCC's Board Members are always thinking on how to support the organization in meeting its mission and vision.

One example of such generosity is by the newest Board Member,

Uma Ananth, MD.

Dr. Ananth was chosen as the first Physician Honoree of The Humphrey Fund, established by The Medical Group of Ohio with the OhioHealth Foundation. As the Honoree, Dr. Ananth was given the right to direct the donation from the Fund.

She chose Physicians CareConnection, and we are greatly honored to not only accept the donation, but to have her a part of our team as well.

Thank you!

StepOne is here to connect women with affordable, timely and convenient prenatal care, and resources for a healthy pregnancy and they have been working hard.

Since the initial soft start on January 11, 2016 through the end of March, over 340 women have been enrolled with 100% being scheduled. There were over 1,400 calls within those timeframe as well. Since the kick-off on April 5, StepOne has received over 1,100 calls in just that month. Needless to say the need is there and Physicians CareConnection/StepOne are stepping up to the plate to help these women gain access to prenatal care.

PCC FUNDRAISING CAMPAIGN

2015 was the first year Physicians CareConnection started a major fundraising initiative, raising just short of the goal. There are hopes 2016 will reach it and we can continue to fill the gaps in healthcare for the vulnerable in our community. Donations can be accepted online at www.pcchealth.org or via check and mailed to 1390 Dublin Road, Columbus, OH 43215.
