ALL SMILES

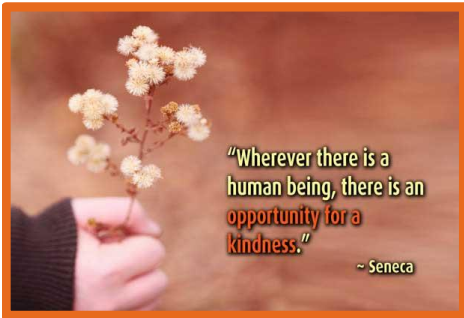

Over the past few months Physicians CareConnection has been working with the PCC Dental Clinic Volunteers to determine what the needs are for the people who are vulnerable in our community.

Through much discussion and analysis, it was clear that dentures are greatly needed. PCC has partnered with Affordable Dentures at this time to pilot an initiative to provide access for denture services.

Should you have any questions please contact Mary Mutegi, Program Coordinator at mmutegi@goodhealthcolumbus.org

At the end of 2015 Physicians CareConnection was awarded a grant by CelebrateOne, a group created by the Greater Columbus Infant Mortality Task Force.

Physicians CareConnection, with the grant awarded, will work to help women who are pregnant schedule and attend their first pre-natal appointment.

This requires relationship building with obstetric providers and practices and most importantly working to build

trusting relationships with our clients.

On April 5, 2016 an official community kick-off, with advertising and an event presentation with Mayor Ginther take place. It starts at 11:00 am at PrimaryOne Health-Westside at 2300 Broad Street, Columbus, OH 43204.

StepOne is here to connect women with affordable, timely and convenient prenatal care, and resources for a healthy pregnancy.

Therefore if you know someone who is pregnant, uninsured or has Medicaid; and is not sure of next steps to increase their chances of delivering a healthy baby and manage their health, have them call today at 614-721-0009

PCC AND THE ASIAN COMMUNITY

Physicians CareConnection is working with health and dental providers in the Asian community to build awareness of the services provided by PCC to the Asian communities.
